

The datatool Bundle: Databases and Data Manipulation

Nicola L.C. Talbot

Dickimaw Books
dickimaw-books.com

version 3.4.4 2026-07-31

This document is also available as HTML (`datatool-user.html`).
The datatool bundle includes the following documentation:

User Manual for datatool (`datatool-user.pdf`)

This document is the main user guide for the datatool package.

Documented Code for datatool (`datatool-code.pdf`)

Advanced users wishing to know more about the inner workings of all the packages provided in the datatool bundle should read “Documented Code for datatool v3.4.4”.

CHANGES

Change log.

README.md

Package summary.

DEPENDS.txt

List of all packages unconditionally required by datatool (hard dependencies). Other unlisted packages may be required under certain circumstances. For help on installing packages see, for example, How do I update my T_EX distribution?¹ or (for Linux users) Updating T_EX on Linux.²
